

YSC Sports – NFL Flag Football Protocols

Along with the YSC Sports facility Protocols (which can be found on the homepage of our website, www.yscsports.com) the following protocols will be in place for NFL Flag Football for parents and staff safety:

- Both parents and participants will be required to wear their masks inside and outside of the facility.
- Parents and participants will be temperature scanned by our state-of-the-art thermal scanner upon arrival. (FOTRIC Thermal Intelligence)
- Only one (1) parent per participant will be allowed to attend both practice and games. *Siblings who are not participating will not be allowed at this time.*
- NFL Flag Football will be held outside and inside to maximize the space available for social distancing.
- Games are scheduled on the hour so we ask that after your game you do not congregate and you exit the facility so that we can minimize the amount of foot traffic in and around the outside of the facility.
- Parents who are cheering from the sidelines will be required to wear a mask and observe social distancing rules.
- YSC Sports will provide sterilized game balls for each game.
- Coaches will be required to wear a mask. *Players are required to wear their masks when they are on the sidelines.* It is encouraged to wear your mask while you are playing but it is not required when you are on the field participating in the game.
- If you, or your child, or anyone in your household is not feeling well, or has been diagnosed with COVID-19 – even if they are not displaying symptoms, please stay home!
- If a parent or participant is diagnosed with COVID-19 all parents and participants who were in direct contact will be notified immediately.
- In the case of inclement weather, all games *will be moved inside* to ensure that all games are played for the entire season. Please note that this may change your game time.
