

YSC Kids Programs - Winter 2020/21

Along with our facility protocols ([YSC Sports Protocols](#)) the following will be in place for YSC Kids, parents and staff safety:

- If you, or your child, or anyone in your household isn't feeling well, or has been diagnosed with COVID-19 – even if they are not displaying symptoms, please stay home.
- **One parent** per participant will be allowed to attend, siblings who are not participating will not be allowed at this time.
- Parents and participants will be thermal scanned on arrival. Children over 2 will wear a mask on arrival and departure from YSC.
- YSC Kids Winter classes will be held inside. We will inform you prior to the sessions start where your child will be running, jumping and playing soccer!
- Parents who are participating in our 1st Soccer class will wear their masks (my mask protects you; your mask protects us!) during the class
- Parents who are cheering from the sidelines will continue to wear their mask and observe social distancing rules.
- Parents waiting in the car can drink coffee, catch a nap, listen to podcast, turn the radio on and sing along, it's a judgement free zone!
- Class numbers will be kept small - because well, COVID.
- Coaches will wear a mask because our coaches are awesome and super!
- YSC Sports has hand sanitizing stations scattered throughout the facility and all gear will be sanitized.
- Each class/group will be kept separated from the other groups while at YSC Sports
- If a parent or participant is diagnosed with COVID-19 all parents and participants who were in direct contact will be notified.

Thanks for helping to keep all the kids in our YSC Kids programs, their families, and our staff, safe & healthy by following these protocols!
